# What Does It Look Like To Build Wealth Outside The Wall Street Casino?

## Real Dentists, Real Stories:

Dr. John Harasin lost 1/3rd of his wealth overnight in the 2008 stock market crash. Within 3 years he successfully replaced his active income with investment cash-flow and sold his practice.

Dr. Eric Shelly sold his practice, serving 2 days per week out of his love for dentistry. Today, he practices dentistry without the headache of owning & managing the practice.

Dr. Randy Cline stepped away from dentistry to invest in his family and his legacy. Today, he spends his time guiding his adult children into a whole new world of wealth-building opportunities.

## More Success Stories:

- ★ Last month, Dr. Merrill Rowe did 6 real estate deals in 13 days worth \$1.25M, without ever meeting a tenant or contractor!
- ★ Dr. Jon Gillesby leveraged **\$350k in retirement savings into a multi-million dollar property portfolio** in less than 3 years.
- ★ Dr. Jim Rachor has the Freedom to leave his practice for weeks at a time to actively serve dental & medical missions in Guatemala with his family.
- ★ Dr. Randy Mellard sold his practice, confident that he no longer needed the active income to support his family or pursue his future dreams.
